

Byomic Kids Explorer Set – 28 Pieces

 **Discover. Collect. Wonder.**

The Byomic Kids Explorer Set – 28 Pieces is the ultimate kit for young nature investigators aged 3 and up. Whether studying insects, going on a treasure hunt, or playing biologist, this all-in-one set turns outdoor play into a fun learning experience. Everything is packed in a sturdy orange Explorer backpack and made from durable, eco-friendly materials. Perfect for the garden, forest, school, or vacation.

What's in the set?

- **Explorer vest with pockets** – durable fabric, transparent and mesh compartments
- **Fisherman's hat** – comfortable, breathable, and sun-protective
- **Explorer backpack** – lightweight and spacious for all gear
- **Protective goggles** – clear, child-safe eyewear for experiments
- **Child-sized binoculars** – sturdy, lightweight, and colorful for long-distance viewing
- **Insect jar with magnifier lid** – ventilated and magnifying lid for temporary observation
- **Extendable insect net** – large net, telescoping handle, gentle on butterflies
- **Safety scissors** – rounded blades for safe cutting during crafts and exploration
- **Whistle with compass and flashlight** – a 3-in-1 tool for navigation and play
- **Tweezers** – for gently handling insects and finds
- **Magnifying glass** – large and clear for close-up study
- **Educational cards** – colorful insect illustrations with English and Dutch names
- **Clip rings** – attach tools or discoveries easily to vest or backpack

Why choose the Byomic Kids Explorer Set?

- ✓ Complete 28-piece set – everything young adventurers need
- ✓ Boost nature knowledge & confidence – high play-and-learn value
- ✓ Child-friendly & sustainable – lightweight, durable, and CE-certified
